Liberal Arts Prerequisites

Please list the courses you have taken that may meet these requirements (for more information on these requirements and options for completion please see the admission policy)

American Government: _____ Human Biology: _____

Social Science: _____

Important Application and Admissions Information:

Please check each box that you understand the following information and sign this form to verify the accuracy of this information.

- I understand that the application fee and the deposit if accepted are nonrefundable.
- I understand that reference forms need to have attached narratives or letters in support of my application.
- I understand that if accepted I will need to meet all Liberal Arts Prerequisites by the timeline determined by the program but that not having completed all the prerequisites prior to applying are not a reason for rejection from the program.
- I understand that the professional statement I am submitting is both a writing sample and a demonstration of my understanding of the Values & Ethics of Social Work, my critical thinking skills, and my ability to be self-reflective.
- I understand that field placement agencies generally require a CORI check. I understand that if I have a positive CORI background check that this positive CORI has the potential to greatly reduce or eliminate opportunities regarding field placement options, may create issues with acquiring a license once completing my MSW, and could impact social work employment after completing my MSW.
